**Blankinship & Foster Named a Top San Diego Financial Advisor and
Wealth Manager for 2017**

SAN DIEGO, CA — Blankinship & Foster has been named as one of San Diego’s leading financial advisors and wealth managers in the 2017 list of Top 10 Best Financial Advisors in San Diego, CA by AdvisoryHQ News Media (AHQ). This is the third year in a row the firm has been recognized as a top San Diego wealth manager by Advisory HQ.

According to the report, factors that contributed to the 2017 award include Blankinship & Foster’s fiduciary commitment to clients, history of serving retirees and financially independent women and the integrated, proactive planning it provides clients. As well, the report states, “The team at Blankinship & Foster is experienced in bringing financial planning and investment management services with a special focus on helping retirees, soon-to-be retirees, financially independent women, and women in transition.”

“We are honored that the team has been recognized for the thoughtful care and advice they provide to our clients,” said Blankinship & Foster President and CEO Stefan Prvanov, CFP®. “The reward and satisfaction is seeing the positive impact it has on our clients’ lives.”

This acknowledgement is unique as candidates are neither self-nominated, nor does AdvisoryHQ charge for the advisory firm review or ranking. In fact, firms do not even realize they are being reviewed until after the reviews have been completed and the results made public. The objective review structure includes examination of a candidate company’s fiduciary duty, independence, transparency, level of customized service, history of innovation, fee

structure, quality of services provided, team excellence, and wealth of experience. Click [here](#) for the full article.
