Blankinship & Foster Named a Top San Diego Wealth Manager for 2016

SAN DIEGO, CA — Blankinship & Foster has been named as one of San Diego’s leading wealth managers in the 2016 List of Best Wealth Managers and Top Financial Advisors in the US and UK published in February of this year by AdvisoryHQ News Media (AHQ).

According to the report, factors that contributed to the award include Blankinship & Foster’s fiduciary commitment to clients, history of serving retirees and financially independent women and the integrated, proactive planning it provides clients. As well, the report states, “Blankinship & Foster follows a unique support model in that each client is advised by a team of at least two advisors, thereby guaranteeing a continuity of advice and advisory accessibility. What’s even more unique is that the firm’s fee-only structure is one of the earliest fee-only Registered Investment Advisors (RIA).”

“We are pleased to be recognized for the advice and service we provide to our clients,” said Blankinship & Foster President and CEO Stefan Prvanov, CFP®. “And while it is an honor to be so credited, our greatest satisfaction comes from our own clients’ trust in allowing us to help provide for their financial safety and stability.”

This acknowledgement is unique as candidates are neither self-nominated, nor does AdvisoryHQ charge for the advisory firm review or ranking. In fact, firms do not even realize they are being reviewed until after the reviews have been completed and made to the public. The objective review structure includes examination of a candidate company’s fiduciary duty, independence, transparency, level of customized service, history of innovation, fee structure, quality of services provided, team excellence, and wealth of experience.
